## HIGHER EDUCATION SCHOLARSHIPS

Higher Education provides scholarship funds to students who pursue secondary education by enrollment in an Associate or Bachelor degree program. Scholarships are made available to students enrolled in a Masters Degree program based on availability of funds. Late application will be denied.

These scholarship funds are supplemental, therefore, applicants must apply for all other available funding sources that include but are not limited to: state, federal, local and private financial aid as well as utilize student and family resources to contribute to their educational costs. It is the responsibility of the applicant to apply for these other funds. Nome Eskimo Community (NEC) will not provide assistance to cover the total financial need of students.

Funding amounts per term:

Members residing in Nome at time of Graduation - \$1500.00 per term / \$750.00 Part time

Members graduating from High school in Alaska - \$1000.00 per term / \$500.00 Part time

Members living out of state at time of Graduation - \$500.00 per term / \$250.00 Part time

### Credit Requirements

Full-time students must enroll for a minimum of twelve (12) credits per semester, ten (10) credits per quarter or the number of credits the school requires for full-time status. Part-time students must enroll for a minimum of six (6) credits. Funding for part-time status is limited to tuition, fees & books only. Students who are enrolled for less than six (6) credits will be considered on a case-by-case basis.

Should a student receive an Incomplete (I) and/or Deferment (D) during a term, this results in non-compliance of credit requirement. Students must fulfill credit requirements during the term a scholarship was awarded. Should the student complete the required work at a later date, and receive a passing grade, it does not constitute successful completion of the term for which the Incomplete and/or Deferment was received.

Students who withdraw during a term which they received a scholarship for must provide written documentation stating the reason for withdrawal. If the student does not notify the program, they are ineligible to reapply until successful completion of a term with other resources. If the withdrawal is due to circumstances determined to be justifiable (i.e.: medical, death in family), the student may be placed on probationary status for the upcoming term. If the student withdrew for reasons determined non-justifiable, they are ineligible to reapply until successful completion of a term with other resources (i.e.: attendance problems or not completing assignments).

### Grade Requirements

Students must complete each term with a minimum 2.00 Grade Point Average (GPA).

**It is the student's responsibility to submit** their Official Transcript once they are posted after completion of semester/quarter. Scholarships for the upcoming term will not be approved until Official Transcripts are received at Nome Eskimo Community.

### Probation

If a student does not fulfill minimum GPA and/or credit requirements, they will be placed on probationary status for the upcoming term and receive \$500.00 less for that semester they are on probation. Should the student fail to meet minimum requirements upon completion of the probationary term, they will be suspended from the program. Upon suspension, the student is ineligible to reapply for further scholarships until successful completion of a term with other resources. Upon reinstatement of services, the student must maintain academic progress by meeting credit and GPA requirements, or services may be terminated.

### Continued Funding

Once an application is approved and the student establishes "continuing student" status, the student becomes eligible to apply for continuing scholarships until they obtain a degree, so long as academic progress and good standing is maintained by meeting credit and GPA requirements.
